

Reference

Dirk Becker, born 11.08.1976, has been employed in our company in between 01st October 2006 until 30th September 2009 as 3d artist.

Our company is well known for 3D modelling and animation. We are working for major companies such as Liebherr, SONY, Mercedes, DHL, Deutsche Telekom, Deutsche Bank und much more.

Mr. Becker has been working at our 3d department 'blanx | effects' assigned with the following duties:

- 1 3D-Modelling, Animation, Lighting, Rendering
- 2 3D Tracking & Matchmoving
- 3 Particle & Dynamics Simulation
- 4 Character Rigging & Mel Scripting
- 5 Renderfarm Setup & Management
- 6 Compositing

Mr. Becker tremendous creativity and his comprehension helped him to solve even difficult tasks with ease. Mr. Becker has a very good knowledge of all the software used in daily business and confidence in the process of design & creation. Mr. Becker finished all of his projects in time and with a high level of visual quality, which our clients appreciated.

Mr. Becker, always acts very straight and well considered. His speed in working and accurateness shows a professional level. The ability to consult our clients with competence was very useful for us.

We've been totally satisfied with Mr. Becker while working for us.

As Mr. Becker is leaving our company on his request, we deplore his departure and wish him for the future all the best – professionally and personally.

Cologne, 30th Sept 2009

Michael Gairing
CEO
